Dear All,

It was great connecting with everyone last week—thank you for taking the time. Circling a bit late, but we wanted to send along two quick follow ups:

- **California Petition** – As mentioned on the call, we’re sending along our petition to California’s Department of Pesticide Regulation along with a separate request for reconsideration (with appendix) after our initial petition was denied (attached)

Deliberative Process / Ex. 5

- **ESA Thoughts**

Thanks again, and if you have any questions or updates, please don’t hesitate to let us know.

Best,
Dan
